

ATTENTION HOLLAND & ZEELAND

A Message from Norm, Blaine & Lloyd VerHage:

Chrysler Corporation has determined that the Holland Zeeland market franchises are participants in its dealership consolidation. At VerHage of Holland, we have every intention of pursuing the new Chrysler franchise in the greater Holland area. Presently VerHage continues to sell, service and provide parts for our customers. Our pre-owned sales continue to grow and will do so in the Holland Zeeland market for years to come.

Thank you for your continuing patronage for four generations, beginning back in 1925 in Hudsonville.
